Once signed in, kids can go play sports, video games, or just be social.

The lighting of a candle will signify the start of devotion time.

We request all electronics are turned off and put up for the duration of the devotion.

Kids will have the opportunity to speak a little about their week and themselves.

Pastor will lead the group in a devotional period.

(Devotional theme to be determined for each event.)

The extinguishing of the candle will signify the end of the devotion time.

9:15 to 10:00 PM – Free Play/Service Project Time

Either we will work on a service project or the kids can go back to playing sports, video games, or just be social until their parents pick them up.
